VISHAL GHUGE

Product Manager,Fractal | 0->1 AI & SaaS Products | Ex-Foyr, Amazon
vishalghuge26@gmail.com | +91-9975961534 | Mumbai | LinkedIn

Product Manager, 3.6 years, 0-to-1 specialist across AI, SaaS, and 3D. Built and scaled an AI recruitment platform now used by xxxx+ daily users at Fractal Analytics, and a B2B design suite adopted org-wide at Total Environment. Turns ambiguous CXO asks into shipped roadmaps, backed by hands-on UX, research, and LLM/prompt-engineering chops.

PROFESSIONAL EXPERIENCE

Fractal Analytics | Product Manager **Apr 2026 - Present**

AI Recruitment and Staffing Platform *Nov 2025 - Present*

- **Platform Build (0 to 1):** Own product strategy and roadmap for a B2B and B2C Recruitment and Staffing Platform used organisation-wide across Fractal (xxxx+ daily active users), matching bench employees to open demand. Driving faster staffing turnaround and higher hiring conversion for the internal talent team.
- **6 AI Agents:** Defined use cases and prioritised the build of 6 AI agents across lateral hiring, fresher hiring, JD creation and candidate matching, and bench assessment, based on hiring-funnel impact; integrated into the iqigai platform.
- **Team:** Leading a 7-member cross-functional team: design, engineering, AI, QA and product.

Foyr | Associate Product Manager **Apr 2024 - Mar 2026**

Total Environment, Bangalore | B2C Portal + B2B 3D SaaS *Sep 2024 - Nov 2025 | 19 months*

- **B2C Customer Portal:** Owned product strategy for a 3D property visualisation platform for home buyers; per the client's sales team, it gave buyers more confidence in their choices.
- **B2B 3D Design Tool (0 to 1, MVP to Production):** Delivered a fully customised Foyr Neo for Total Environment's internal design teams (300+ screens, 32+ user flows), streamlining design workflows and reducing reliance on external tools.
- **Team and Stakeholder Leadership:** Hired 2 UI/UX designers; sole on-site PM for a 20-member cross-functional team (3D, Backend, Frontend, QA,Design). Managed CXO-level stakeholder alignment and roadmap prioritisation across evolving scope.

Foyr Ideate | Internal | AI Interior Design Platform | MVP *Apr 2024 - Aug 2024 | 5 months*

- **Product Build:** Owned 0-to-1 product strategy for an AI interior design platform; core capabilities: auto-furnish an empty room from a photo, swap furniture and styles, and restyle any space from an uploaded image. ideate.foyr.com
- **Team and UX:** Onboarded and directed a UI/UX agency in Figma; ran user research and discovery to validate AI interaction patterns and de-risk decisions ahead of MVP handoff.

Amazon MX (MX Player) | Business Analyst | Product Operations **Apr 2020 - Oct 2021**

- **Content Operations:** Built and trained a team of 6 from scratch managing 300,000+ content units across several partner publishers; contributed to a catalogue that is a major driver of app watch time.
- **API Efficiency:** Led API team overhaul, increasing daily content output by 50% within 1 month; built new CMS capabilities with an overseas tech team; standardised workflows across 7 teams.
- **Publisher Onboarding:** Onboarded a partner publisher's 56 shows from zero to live in 1 week via rigorous prioritisation and impact assessment; adopted as team standard.
